Labor and Delivery Department  
Northside Hospital Women's Center-Atlanta  
1000 Johnson Ferry Road NE  
Atlanta, GA 31036

Dear Northside Hospital Women's Center:

It is with great enthusiasm that I am submitting this letter and resume in order to apply for the Labor and Delivery Registered Nurse position at Northside Women's Center in Atlanta, Georgia. I was excited to find this position online at Indeed.com. I believe that my background in Human Development and Family Sciences, experiences at Emory University, as well as my passion for working with women and children make me an excellent candidate for this position.

While obtaining my Masters degree at Emory University, I collaborated with other nursing students, while also focusing on patient-centered care during my clinical rotations. I believe that I have strong communication skills and work collaboratively with others that I gained during my experience as a Pharmacy Technician. Although I am a recent graduate, I feel that I have a lot of training and experience, as well as a drive for serving and helping others.

I have attached a copy of my resume for your consideration. If you would like to speak with me further about my qualifications and interests, please contact me by email at [alstew79380@gmail.com](mailto:alstew79380@gmail.com). Thank you for your consideration

Sincerely,

*Anna Stewart*
